Dear Fellow Member of the Northern Beaufort County Business Community,

As 501c3 charitable non-profit, **Fripp Island Friends of Music** gives back to the Beaufort community and beyond. We offer high-quality live music to the public by world-class musicians of all genres with music that "goes in the ears straight to the heart." For over 40 years we have delivered five concerts from October to March, on a Sunday afternoon at 5:00 pm at the Fripp Island Community Center. After the performance, the audience is invited to a complementary catered "Meet-the-Artists" reception to mingle with the musicians and each other.

On the morning following the concert on Fripp, the musicians bring their music to the students of a Beaufort County school, a major feature of our **Music-in-the-Schools charitable mission**. We also support aspiring student musicians and Beaufort school music events. Traditionally, we admit students free to our Sunday concerts and provide financial support for the Beaufort Symphony Youth Orchestra. This past season we also provided key financial support for (1) the "Electrify Your Symphony" student workshop and concert at Beaufort High in February, (2) an "Artists-in-Residency" 2 day workshop at St. Helena Elementary School in March, and (3) an orchestra and band trip to Atlanta for a music competition in Atlanta in April. This Fall we're kicking off our **40th Anniversary Music Grant program** for music teachers to submit worthy opportunities for music student support.

Our success as a non-profit makes us eligible for grants from the South Carolina Arts Commission (SCAC), which must be matched with local donations and support.

None of this is possible without both our subscribing members (with **attendance averaging over 150/concert**) and YOU, our advertisers. Your ad will appear in our season program book; be assured, our audiences appreciate our advertisers' support for our mission.

**See over the agreement form for details and to sign up.** Thank you for your support! Call or text me if you have questions at 908-635-1664.

Sincerely,

*Rick Stein*
